SAFETY RECALL Q650: Left Hand Lower Control Arm to Knuckle Joint Over-Torqued
SAFETY RECALL Q651: Right Hand Lower Control Arm to Knuckle Joint Over-Torqued

Vehicle Affected:

Discovery Sport - Model Year 2016-2017
Range Rover Evoque - Model Year 2016-2017

National Highway Traffic Safety Administration (NHTSA) Recall Number: 16V-889

Dear Land Rover Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Land Rover North America has decided that a defect relating to motor vehicle safety exists in certain 2016-2017 model year Discovery Sport and Range Rover Evoque vehicles.

Your vehicle is included in one or both of these Safety Recalls.

What is the concern?

A concern has been identified where the front left suspension lower control arm-to-wheel knuckle and/or front right suspension lower control arm-to-wheel knuckle fastener may fail due to a manufacturing process error. Where a fastener has failed, a wheel knuckle could separate from the front suspension lower control arm which could affect vehicle handling and increase the risk of a crash.

What will Land Rover North America and your Land Rover Retailer do?

Land Rover is carrying out two Safety Recalls of the vehicles noted above. An authorized Land Rover retailer will replace the components in question.

There will be no charge for this repair.

What should you do?

Please contact your authorized Land Rover retailer to make an appointment to have this work completed on your vehicle.

How long will it take to repair my vehicle?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take no longer than 90 minutes to complete, although your retailer may need your vehicle for a longer period of time. Your retailer can provide you with a better estimate of the overall time for the service visit.

Attention Leasing Agencies: Federal regulations require that you forward this recall notification to the lessee within TEN (10) days.

Moved or no longer own a Land Rover?

If you are no longer the owner of this vehicle, Land Rover would appreciate the name and address of the new owner, (if known); please fill out and return the enclosed return postage-paid card.

What should you do if you have further questions?

If you have any questions regarding this Recall Action or need assistance in locating your nearest authorized Land Rover retailer, please contact the Land Rover Customer Relationship Centre at **800-637-6837, Option 9.**
