**Vehicles / Model Year Affected:**  
**F-TYPE ..... 2017**

**National Highway Traffic Safety Administration Recall Number: 16V-940**

#### **Dear Jaguar F-Type Owner:**

*This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Jaguar has decided that a defect relating to motor vehicle safety exists in certain 2017 model year Jaguar F-Type vehicles.*

Your vehicle is included in this Recall action.

You should have received a previous letter dated 20 February 2017, advising you that we were in the process of obtaining the necessary components to repair your vehicle. These components are now available and the repair of your vehicle may now be scheduled.

#### **What is the concern?**

The front row seating seatbelt pre-tensioners may not function properly due to a specification error in the mix of chemicals that are used for activation.

In the event of a crash of sufficient severity, the front seatbelt pre-tensioner may fail to operate when required. Failure to operate can lead to increased injuries to the front seat occupants.

#### **What will Jaguar and your authorized Jaguar Retailer do?**

Jaguar is carrying out a recall of the vehicles mentioned above. An authorized Jaguar retailer will inspect and, if necessary, replace the front seatbelt pre-tensioners.

There will be no charge for this repair.

#### **What should you do?**

Contact your preferred authorized Jaguar retailer and provide the retailer with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'J081'. You can locate and authorized Jaguar retailer using the LOCATE RETAILER function on [JaguarUSA.com](http://JaguarUSA.com) or you can use the contact information below.

#### **How long will it take?**

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers. It is expected to take less than one hour, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.
