IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN: XXXXXXXXXXXXXXXXXXXX

Dear Hyundai Elantra Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2017 Hyundai Elantra vehicles. Our records indicate that your vehicle is affected by this safety recall.

What is the problem?

- Hyundai has determined there may have been a manufacturing issue with the driver's front airbag inflator which could result in reduced inflation of the frontal airbag in a crash. A failure of the driver's airbag to properly inflate could increase the risk of injury to the driver in a frontal collision warranting deployment of the driver airbag.

What will Hyundai do?

- Your Hyundai dealer will verify the serial number of the driver's airbag in your vehicle, and replace the airbag if necessary. This procedure will be performed at no charge to you. The actual time required to perform the procedure should be less than 1 hour, however your vehicle may be needed longer; therefore, we recommend scheduling a service appointment to minimize inconvenience.
