Urgent

Subject: **Takata Drivers Front Air Bag Module - Recall Campaign 16V-071**

We are still working to determine when parts will be available to fix the impacted vehicles.

In the meantime, please review the attached document which should address some of your immediate questions concerning the recall.

We will update you as more information is available.

Technical questions: recall16v-071@bmwna.com

Sales questions: bmwcpo@bmwna.com
