Attention: Kelly Schuler and/or Joshua Neff

The purpose of this letter is to inform you that Trans Tech Bus has determined that a safety defect may exist. Trans Tech was notified on Thursday, February 4th, 2016 of a potential product defect pertaining to Federal Motor Vehicle Safety Standard No. 571.222; "School Bus Passenger and Seating Protection".

TransTech Bus is performing its internal investigation into this matter and preparing the population report for NHTSA. This report will be completed no later than February 15th, 2016 and will be forwarded to NHTSA for review.

TransTech Bus will also be preparing a 573 Report, which will be completed by February 19th, 2016 and will be forwarded to NHTSA for review.

This report has been uploaded to the NHTSA servers on Thursday, February 11th, 2016. If there are any questions regarding the information that has been submitted, please contact Trans Tech Bus, Standard & Compliance Department at 845-988-2333 x206.

Respectfully,

Timothy J. Downey C.D.
