

U.S. Consumer Product Safety Commission – Recall

Recall Date: March 3, 2016

Recall Number: 16-DRAFT FOR CLEARANCE

Pelican Products Recalls Flashlights and Replacement Battery Packs Due to Fire Hazard

<http://www.cpsc.gov/en/Recalls/2016/Pelican-Products-Recalls-Flashlights-And-Replacement-Battery-Packs/>

Recall Summary

Name of Product: Pelican flashlights and replacement battery packs

Hazard: The battery packs in the flashlights can overheat, posing a fire hazard to consumers.

Remedy: Replace

Consumers should immediately stop using the recalled flashlights and replacement battery packs and contact Pelican for instructions on returning the flashlights for free installation of a new battery pack or to exchange replacement battery packs that were sold separately for a new replacement battery pack.

Consumer Contact: Pelican Products toll-free at 877-619-0289 or 310-257-5691 from 8 a.m. to 5 p.m. PT Monday through Friday, via email at 9410L@pelican.com or online at www.pelican.com and click on “Recall Information” at the bottom of the page for more information.

Recall Details

Units: About 3,800 flashlights and 150 replacement battery packs (in addition, about 800 flashlights and 18 replacement battery packs were sold in Canada).

Description: This recall involves Pelican 9410L flashlights equipped with lithium ion battery packs and replacement battery packs. The flashlights are yellow and black. “Pelican 9410L” is printed on the front of the flashlights and on the top of the handle. The recalled flashlights have manufacturer part number 9410-021-245 or 9410-021-110 printed on the packaging. The manufacturer part number for the recalled battery pack is 9413-301-001 and is printed on a label on the battery’s shrink wrap. Only battery packs that contain green shrink wrapped cells are included in the recall.

Incidents/Injuries: Pelican has received two reports of overheating battery packs. No injuries have been reported.

Sold at: Sports and specialty stores nationwide, online at Amazon.com and other industrial supply dealers or distributors from May 2014 through January 2016 for between \$240 to \$280 for the flashlights and between \$50 and \$70 for the replacement battery packs.

Manufacturer: Pelican Products Inc., of Torrance, Calif., (flashlights) and HYB Battery Co. Ltd., of China (batteries).

Manufactured in: United States and China

Note: Health Canada's recall release is available at <http://healthy Canadians.gc.ca/recall-alert-rappel-avis/hc-sc/2016/56536r-eng.php>

About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals –

contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired. Consumers can obtain news release and recall information at www.cpsc.gov, on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC's [free e-mail newsletters](#).
