# IMPORTANT SAFETY RECALL NOTIFICATION

[NOTIFICACIÓN IMPORTANTE DE CAMPAÑA DE SEGURIDAD]

# John, make completing your vehicle recall a New Year's resolution. A life may depend on it!

Our records indicate that an **URGENT SAFETY RECALL** has not been completed on your 2008 Accord.

John, que completar su campaña de seguridad de su vehículo sea su propósito de Año Nuevo.  
¡Una vida podría depender de eso!

Nuestros registros indican que no se ha completado una **CAMPAÑA DE SEGURIDAD URGENTE** en su Accord 2008

Despite our previous attempts to contact you, our records still indicate your 2008 Accord needs an **IMMEDIATE SAFETY RECALL**. An internal component in the SRS Electronic Control Unit (ECU) may corrode and cause the SRS unit to fail. If the SRS ECU fails, your airbags may **NOT** deploy when the vehicle is involved in a crash. Without an operating airbag your **chances of serious injury** have been proven to increase dramatically.

## Honda will fix your vehicle FREE OF CHARGE.
