URGENT SAFETY RECALL REMINDER

1-877-250-7402

<John>,

It is critical that you complete this important recall on your <Year><Model>. The airbag in your <Year><Model> may NOT deploy in a crash, resulting in serious injury.

Your safety is important to us.

Schedule a FREE repair today at 1-877-250-7402.

An internal component in the Supplemental Restraint System (SRS) Control Unit may corrode and cause it to fail. If the SRS Control Unit fails, your airbags may **NOT** deploy when the vehicle is involved in a crash. **Without an operating airbag, your chances of serious injury increase dramatically.**

We would like to make this recall as easy and seamless as possible. The repair will take about an hour; however, check with your Honda dealer for the overall time estimate to complete this recall.
