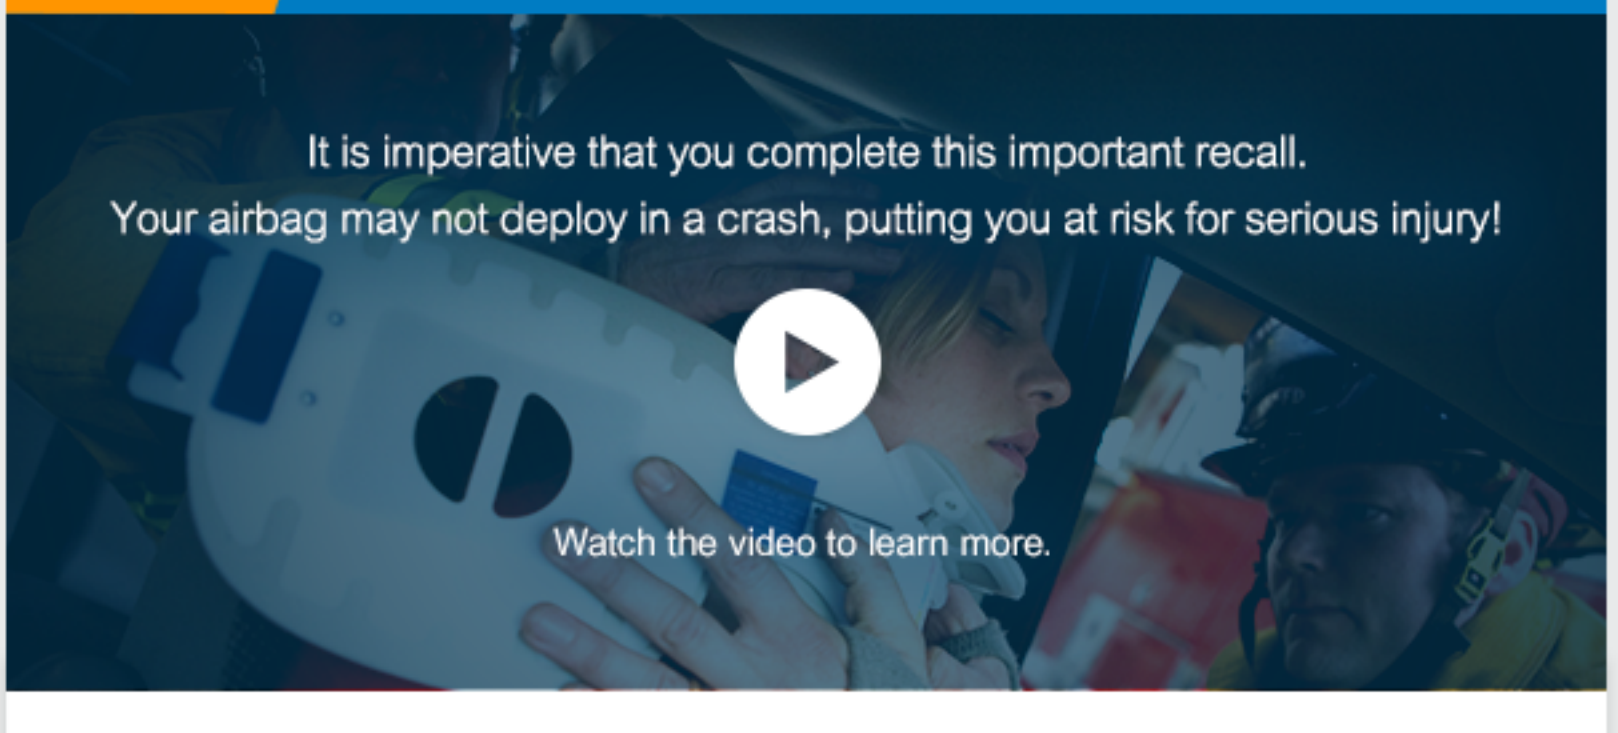
URGENT SAFETY RECALL REMINDER 1-877-250-7384



<John>,

It is imperative that you complete this important recall on your <Year><Model>. The airbag in your <Year><Model> may NOT deploy in a crash, resulting in serious injury.

Your safety is important to us.
Schedule a FREE repair today at 1-877-250-7384.

An internal component in the Supplemental Restraint System (SRS) Control Unit may corrode and cause it to fail. **If the SRS Control Unit fails, your airbags may NOT deploy when the vehicle is involved in a crash.** Without an operating airbag, your chances of serious injury increase dramatically. By not scheduling an appointment with your Honda dealer for this URGENT SAFETY RECALL, you are putting your family, friends and yourself at risk.

We would like to make this recall as easy and seamless as possible. The repair will take about an hour; however, check with your Honda dealer for the overall time estimate to complete this recall.
