**Subaru Recall Campaign WQY-60
NHTSA Recall No. 16V-060
February 2018 – 2nd Notification**

Dear Subaru Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that a defect, which relates to motor vehicle safety, exists in all 2006 - 2014 model year Tribeca vehicles.

In March 2016 we notified vehicle owners of this recall. An additional notification was sent to owners in September 2016 stating that **REPAIR PARTS ARE NOW AVAILABLE**. You received this notice because our records indicate that you currently own one of these vehicles and the critical repair has NOT been performed.

IMPORTANT

Your vehicle may have received an interim repair under previous recall campaign WQX-59. Even if that interim repair was made, your vehicle is still in need of the new hood latch that will be installed under this recall campaign WQY-60 in order to insure your safety.

DESCRIPTION OF THE SAFETY DEFECT AND SAFETY HAZARD

Over time, rust and/or solidified grease in the hood latch may cause the springs inside of the hood safety system and/or the hood lock system to not return to their proper positions. If the hood safety system and the hood lock system fail at the same time, the hood may unexpectedly open when the vehicle is moving. This may interfere with the driver's visibility, increasing the risk of a vehicle crash.

This could happen without warning.

REPAIR

Subaru will replace the hood latch with a modified one, at no cost to you. You previously received a letter advising you to have an interim repair performed until the final countermeasure parts were available.

WHAT YOU SHOULD DO

You should immediately contact your Subaru retailer (dealer) for an appointment to have this safety recall repair performed.

HOW LONG WILL THE REPAIR TAKE?

The time to perform this repair is approximately 25 minutes. However, it may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment. Please present this letter to your Subaru retailer at the time this repair procedure is performed.

CHANGED YOUR ADDRESS OR SOLD YOUR SUBARU?

If you have moved or sold your vehicle, please complete the enclosed prepaid postcard and mail it to us. Or if you prefer to update this information online, please go to www.subaru.com, select 'Customer Support,' then select 'Address Update' or 'Ownership Update' from the drop down menu.

IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below.
