IMPORTANT SAFETY RECALL

NAME
ADDRESS
CITY, ST ZIP--4

This Second notice applies to your vehicle: VIN

Dear NAME:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Cruiser RV (Cruiser) has decided that a defect which relates to motor vehicle safety exists in certain Cruiser Stryker travel trailers manufactured from December 11, 2015 to March 11, 2016. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

On has been decided that all of the travel trailers subject to this recall campaign are equipped with safety chains on the A-frame that are rated for 11,700 pounds each. Each safety chains should be rated equal to or greater than the gross vehicle weight rating (GVWR) of the travel trailer. In the event the main trailer connection fails, the weight of the trailer could break the safety chains. This would allow the trailer to separate from the vehicle, increasing the risk of a crash.

***What we
will do***

Cruiser will have an authorized dealers replace the existing safety chains with chains that have the proper rating. This will be corrected at no expense to you, the owner, and should take no longer than ½ hour.

***What we need
you to do***

At your earliest convenience, Please contact your local dealer to set up an appointment to have this inspected and if needed corrected immediately, this service will be performed free of charge.

You will need the following information for the phone call:

- VIN of your travel trailer
