KEY INFORMATION

- Your vehicle is involved in an important safety recall
- Your safety is important to us. Schedule an appointment to have service procedure completed
- This procedure will be performed free of charge

Recall Number 17C06 - Transmission Park Rod Actuating Plate and Description:

What is the Issue?

Your vehicle could roll away after the transmission shift lever is placed in Park because it may have been built with a damaged park rod actuating plate.

If the parking brake is not applied, vehicle movement may occur without warning, increasing the risk of injury or crash.

What Are We Asking You To Do?

Please contact your dealer to schedule an appointment to have this important service procedure completed. If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps and driving instructions.

The vehicle owner is responsible for having this service action performed. Ford Motor Company reserves the right to deny coverage for any vehicle damage that may result from failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.
