Subject: Owner Renotification – JR5

Safety Recall completion is an integral part of our commitment to meet customer expectations of Toyota products. Toyota will be conducting follow-up notifications to remind owners whose vehicles have not yet had Safety Recall repairs completed in the campaign(s) listed below.

We request your assistance in completing the applicable campaign repairs as owners receive the follow-up notifications and contact your dealership. Please note the follow-up activity may cause an increase in your current Safety Recall owner appointments. Toyota will continue with additional follow-up activities in the months to come. Please take this into consideration when analyzing your manpower requirements.

### **Safety Recalls Covered in the Renotification**

### **Follow-Up Owner Notification Letter Mailing Date**

The Safety Recall Follow-Up Owner Notification Letters (“owner letters”) will begin in Late July 2018. The owner letters will be mailed by first class mail, over a period of several weeks consistent with parts availability.

### **Technical Instructions**

Technical Instructions to conduct these campaigns can be found on **TIS**.

### **Parts Ordering**

The applicable parts ordering information can be found in the Dealer Letter and Technical Instructions of the **specific** Safety Recall. As a practice, please utilize the following guidelines to determine your parts order for this renotification activity:

- Check current stock levels.
- Subsequent orders should be based on customer appointments.
- Replenishment orders of parts should be based on a "sell one, buy one" basis.

### **Pre-Owned Vehicles in Dealer Inventory**

To ensure customer satisfaction, Toyota requests that dealers complete this Safety Recall on any used vehicles currently in dealer inventory that are covered by this Safety Recall prior to customer delivery. However, if the campaign cannot be completed (for example, due to remedy parts availability), delivery of a covered vehicle is acceptable if disclosed to the customer that the vehicle is involved in a Safety Recall.

Toyota expects dealers to use the attached Customer Contact and Vehicle Disclosure Form to obtain vehicle buyer information. Dealers are expected to provide a copy of the completed form, along with the most current FAQ, to the vehicle buyer. Toyota and the dealer may use this information to contact the customer when the remedy becomes available.

Keep the completed form on file at the dealership and send a copy to [quality\\_compliance@toyota.com](mailto:quality_compliance@toyota.com). In the subject line of the email state "Disclosure Form D0R/G0E/G0U/H0C" and include the VIN.

**NOTE:** Dealers can identify if any of their new and used inventory has any open campaigns in the Vehicle Inventory Summary available in Dealer Daily (<https://dealerdaily.toyota.com/>). The Vehicle Inventory Summary may take up to 4 hours to populate information for newly launched campaigns.

### **Toyota Rent-A-Car (TRAC) & Service Loaners**

Toyota requests that dealers remove all TRAC and Service Loaner vehicles from service that are covered by a Safety Recall unless the defect has been remedied.

### **Customer Handling and Dealership Follow-Up**

Please consider this follow-up notice a great opportunity to focus on assuring customers that their safety remains a top priority at Toyota. Customers who receive the Safety Recall Follow-Up Notice may contact your dealership with questions regarding the letter and/or remedy. Please ensure that all customer contact personnel are aware of this Safety Recall and know how to accurately answer customer's questions or how to direct the customer to someone that can. Please welcome them to your dealership and answer any questions that they may have.

Toyota encourages dealerships to follow-up with their customers by telephone to encourage them to complete this Safety Recall. The following word track has been provided for this purpose. To assure a consistent and accurate description of the Safety Recall is communicated to the customer, dealership associates are requested to refer to the specific Safety Recall Q&A (available in TIS) to answer any specific customer questions.
