NHTSA RECALL 16V798

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: YV126MFJ0G7777777

Dear Volvo M. Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Our records indicate that this important recall has not been completed on your vehicle. Please schedule an appointment at your local authorized Volvo retailer as soon as possible to have this important recall performed at no charge.

The reason for Recall R89708:

Volvo Car USA LLC (Volvo) on behalf of Volvo Car Group, has decided that a defect which relates to motor vehicle safety exists in model year 2016 - 2017 XC90, S90, XC60, V60CC, V60, S60, S60CC, S60 Inscription vehicles.

On certain vehicles, the front passenger seatbelt buckle stud may not have been punched correctly during manufacturing. This may cause a separation between the buckle and the seat belt bracket, which could result in the belt not adequately restraining the seat occupant in a crash, increasing the risk of injury and/or damage to property.

Authorized Volvo retailers will inspect the front passenger seatbelt buckle stud by pushing/rotating the passenger seatbelt buckle forward, and checking if the seatbelt buckle stud is punched according to the illustrations to the right.

If the inspection procedure indicates an incorrectly manufactured seatbelt buckle, Volvo retailers will replace the seatbelt buckle, **performed at no cost**.

What you need to do:

Please contact your authorized Volvo retailer for an appointment. The inspection procedure will be **performed at no cost** and can take up to 20 minutes to complete. **However, the time your Volvo retailer requires to service your vehicle may be slightly longer depending on the vehicle.**

If the inspection indicates replacement of the seatbelt buckle is necessary, additional repair time will be needed.

If you had previously paid for this repair to be performed, prior to receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, please refer to the Volvo Customer Care Center contact information in this letter.

If you no longer own the vehicle described in this letter, please help us to update our records by sending us the updated owner information. Please refer to our contact information below.
