Our records indicate that you have not had this recall completed

Dear «NAME»

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Cruiser RV (Cruiser) has decided that a defect which relates to motor vehicle safety exists in certain Cruiser travel trailers manufactured from June 12, 2014 to August 27, 2015. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

On certain fifth wheel trailers manufactured with a Christianson Industries exterior foldable ladder, the ladder's mounting bracket could separate from the hinge due to an incorrect weld. This could result in the ladder separating from the vehicle, which if an individual were to be utilizing the ladder, it could lead to an increased risk of injury and/or damage to property.

***What we
will do***

Cruiser will have an authorized dealer or repair center Dealers will install a hinge brace over the back of the existing hinges to secure the hinge and mounting bracket. This defect will be corrected at no expense to you, the owner.

***What we need
you to do***

At your earliest convenience, Please contact your local dealer to set up an appointment to have this inspected and if needed corrected immediately, this service will be performed free of charge.
You will need the following information for the phone call:

- VIN of your travel trailer
- Name, Address, and Phone Number
