

G399A LHS LR G Tire Recall

295/75R22.5

Goodyear is recalling approximately 1,650 G399A LHS LR G commercial truck tires due to a manufacturing condition that could cause tread separation.

Tires are included in the recall only if **two conditions** exist:

Your **CURING PRESS ID** is

A6L or A6R

AND

Your **DOT DATE** is

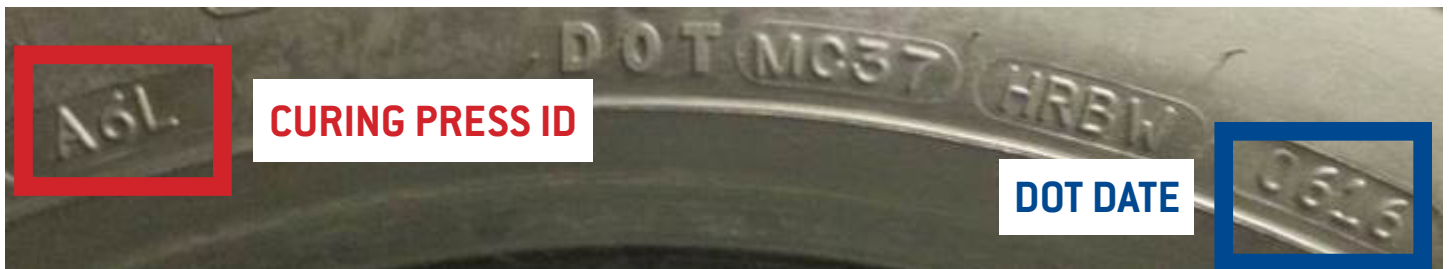

0416–0716

V9L or V9R

AND

1916–2116

SEE EXAMPLE BELOW:

Goodyear will replace recalled tires free of charge with the same size G399A LHS LR G tires that do not contain this condition.

To get your replacements, you can:

- Take the vehicle to any Goodyear Commercial Tire Center or authorized dealer or
- Take the tire to your original point of purchase

Please call Goodyear Customer Service if you have any questions:
