IMPORTANT SAFETY RECALL REMINDER

EIGHTH REMINDER - ACTION REQUIRED

1 WHY HAVE YOU RECEIVED THIS NOTICE?

In March 2016, owners of select Suzuki motorcycles and scooters were notified of an important Safety Recall requiring the replacement of the regulator/rectifier which may have absorbed moisture during storage under high humidity conditions.

Parts are available to complete this important Safety Recall.

2 WHAT SHOULD YOU DO?

- Schedule your **FREE** repair as soon as possible.
- Contact your nearest Suzuki Dealer to schedule an appointment.
- Provide the Vehicle Identification Number (VIN) from the front of this card.

OPERATING YOUR MOTORCYCLE WITHOUT HAVING THE RECALL SERVICE PERFORMED MAY INCREASE THE RISK OF ENGINE STALLING AND/OR NO START CONDITIONS, INCREASING THE RISK OF A CRASH

Thank you for being a Suzuki customer and for your commitment to safety.
