

**Non-actionable Vehicles under recall 16V063 reported as “other” under 49 CFR 573.7(b)(5)**

In accordance with instructions provided by the agency via email dated December 1, 2017, GM will be including an additional “other” subcategory in future dashboards and quarterly reports that relate to NHTSA recall 16V063.

GM’s next dashboard report for this recall will include five vehicles categorized as “Other-Modified.” Vehicles in this subcategory have been modified in such a way that a remedy airbag cannot be installed.
