Re: 16V-071 Air Bag IDS Processing Update and Bulk Order Request

Dear Parts Managers,

**Starting next week we are going to bundle all of your open tickets for the E7x inflator and 1 & 3 series (32 30 6 884 313), shipping them out on one order.** Which means if you have ten open tickets for a single part number, you will receive one order with quantity 10. We will still reply and close the individual tickets, but the VIN will not be listed in the PO of the inflator order.

**On Monday September 11<sup>th</sup>, we will be adding air bags to Fair Share Allocation.**

We would like to offer some stock before the next priority group mailing. This stock is to be used at your discretion for vehicles that have remedy available in vehicle comments or for a heated situation.

**Bulk order options: review each part number carefully before entering a request.**

**SIB B65 16 16**

**32 30 6 884 313 – up to 45 = one pallet per Dealer (186,000 letters will be mailed in September)**

**32 30 6 884 314 – up to 5 per Dealer (these VIN's are included in the above mailing)**

**SIB B65 14 16 – The updated SIB no longer includes E84 (X1)**

**the inflator will be shipped 24 per box. You can request 24 or 48.**

**32 30 6 888 429 inflator – up to 48 per Dealer (98,000 letters will be mailed in September)**

**Send a request:**

**Create an IDS Ticket – Click on Parts Logistic US – Click on Parts Support – Recall Parts**

Enter the above part number(s) and quantities you wish to receive in one Ticket. Use 1234567 for the VIN. Make sure everyone entering Recall IDS tickets are sending them to the correct group or the request will NOT be processed.

**The deadline for this bulk order request is Friday 9/1/17. Tickets received after Friday will not be processed.** We will hold all orders received throughout the week and begin to enter orders the following week (9/5/17). Allow up to a week to process your order. Some parts may route from other locations, so you may not receive them on the same day.

Thank you,  
Parts Logistics
