RE: SI B65 16 16 Recall 16V-071 Driver's Front Air Bag Module E82 E88 E90 E91 E92 E93

BMW NA has begun pushing air bags for above mentioned vehicles. The orders will be VIN specific and shipped to your main location for vehicles affected by SI B65 16 16. Please ensure these air bag modules will be used for the VIN specified in the PO (i.e. VX12345AB).

Please follow the instructions in the SIB 65 16 16, as there are two different part numbers we ask that you also verify the correct part number is installed.

At this time we are not accepting any requests for additional air bags, all requests sent in will be deleted.

We will provide another update when inventory is sufficient and the parts are available for ordering.

Thank you,
Parts Logistics
