To: All BMW Parts and Service Managers

Re: 16V-071 Driver's Front Air Bag Module E83 SI B65 15 16

BMW AG is conducting a Voluntary Safety Recall involving Driver's Front Air Bag Module on certain E83 X3 model years 2006-2010. Our first batch of VIN Specific orders has been placed on your behalf and shipped to your location for vehicles affected by SI B65 15 16. Please ensure these air bag modules are used for the VIN specified in the PO (i.e. VX12345AB).

At this time, we are not accepting requests for additional air bags; all requests sent will be deleted.

We will provide another update when inventory is sufficient and the parts are available for ordering.

Thank you,

Parts Logistics
