

Update 4.22.16: Takata Airbag Recall

 April 22, 2016

Colleagues –

A few updates from Financial Services that are highlighted in the Dealer Communication toolkit:

- The Safety Recall Q&A (16-N-67) now includes important information on the Floorplan Curtailment Policy and new deadlines for Dynamic Price adjustments. These updates are **highlighted** within the FS Q&A on page 10.
- We've added an Appendix to the Toolkit for documents that were not in prior versions of the Toolkit. The Floorplan Curtailment Schedule, which relates to the above policy, is located in the Appendix.

Please use this updated 04.22.16 toolkit, which supersedes all prior versions:
