

## Update 6.3.16: Takata Airbag Recall

 June 3, 2016

Updates to the Dealer Communication Toolkit regarding the industry-wide Takata airbag recall.

Colleagues –

Please note these updates from Technical Services and Warranty Services, highlighted in the Dealer Communication toolkit:

- Recall 16V-364: Passenger's Front Airbag Module. This recall is for the passenger's front airbag for vehicles previously recalled under *16V-071 for the driver's front air bag. No new vehicles are affected that have not yet been recalled.* Therefore, the affected vehicles will now need both the driver's and passenger's front air bags.
- SI B65 19 16 outlines Recall 16V-364 in **a new bulletin on page 37.**
- A new Technical Q&A for Recall 16V-364 **begins on page 43.**
- SI B01 16 16 features updates regarding the AMP Ramp Up, including the subsidy. These updates are **highlighted within the revised bulletin on page 24.**

Please use this updated 06.03.16 toolkit, which supersedes all prior versions:
