Dear Parts Managers,

Stock of part numbers 32 30 6 884 313 and 32 30 6 884 314 have been depleted from our Jacksonville warehouse. Going forward, you will receive part number 32 30 6 884 664. This new part number will replace both 32 30 6 884 313 and 32 30 6 884 314 part numbers.

Continue to use 32 30 6 884 313 and 32 30 6 884 314 parts on your shelf for your scheduled customers before transitioning over to the 32 30 6 884 664 part number.

SIB65 16 16 will be updated shortly to reflect this new part number.

For the bulk order or pallet IDS requests (DCS from last Friday), you will also receive the 32 30 6 884 664 part number next week.

Thank you,
Parts Logistics
