Dear Parts Managers,

Continue to use the Q&A to answer all Customer inquiries.

Review each part number carefully before entering a request.

**32 30 6 884 313 – up to 45 per Dealer (over 88,000 letters will be mailed this month)**

**32 30 6 884 314 – up to 5 per Dealer (combined with the above mailing)**

**Send a request:**

**Create an IDS Ticket – Click on Parts Logistic US – Click on Parts Support – Recall Parts**

Please make sure everyone entering Recall IDS tickets are sending to correct group or the request will NOT be processed.

The deadline for this bulk order request is Friday 8/11/17.

We will hold all orders received throughout this week and begin to enter orders next week (8/14/17).

Allow up to a week to process your order. Some parts may route from other locations, so you may not receive them on the same day.

There will be no interruption getting a part for a customer that received a final letter.
