**Re: Missing CY2016 Recall Information
16V-080 (FL-700)
Owner Notification Letters Issued Late**

Ms. Schuler,

DTNA has reviewed the records regarding the Owner Notification Letter for 16V-080. After review, DTNA believes that the Owner Notice was properly mailed to the owners within 60 days of filing the Part 573 Report with NHTSA. The 573 report was filed on 2/9/2016 and the owner notification letter was mailed 55 days later on 4/4/2016. The mailing date was incorrectly reported on the Recall Portal as the posting date. DTNA will provide training to all individuals entering information into the Recall Portal to ensure that it is correctly entered.

Please contact me if you have any questions.

Sincerely yours,

Andrew Jones
