Re: Electronic Control Unit for the Airbags 16V-173

Dear Parts and Service Manager,

With the limited supply of parts, the first batch of Customer letters were mailed on Monday 7/11/16, informing customers to contact their dealer for the ECU replacement.

If you have a customer that received the final letter in need of an ECU, please submit an email request to [specialpartsrequest@bmwna.com](mailto:specialpartsrequest@bmwna.com) including the following information:

Subject Line: 16V-173 SIB 65 11 16  
Dealer Location Code:  
VIN Number:  
Part Number:

**Only one VIN request per email. The orders will be placed using the VIN as the PO and CU (ex. G123456CU)**

We expect all customer mailings to be completed by the end of July.

Please remember all Recall parts are non-returnable.

Thank you for your patience.
