**Important**

Subject: **Recall 16V-173: SRS (Airbag) Electronic Control Unit Important Updated Part Return Instructions**

Please be advised that the "expedited return process" for G12 airbag control units replaced under Recall Campaign 16V-173 **is no longer required**.

With the release of this DCS message, use the normal part return process to return "any" requested G12 Recall-related airbag control units to the Warranty Parts Return Center (WPRC).

For inquiries, please email the WPRC at: [WPRC@bmwna.com](mailto:WPRC@bmwna.com).

As always, thank you in advance for all of your support.

Best regards,
