To: All BMW Parts and Service Managers

Re: Recall 16V-311 Front Driveshaft (E70, E71, E72) Update

Dear Parts and Service Managers,

**The Driveshaft will be removed from Fair Share Allocation (FSA) and open for normal ordering on Monday (8/1/16).**

Please refer to SI Bulletin 26 02 16 involving certain E70 (X5), E71 (X6) and E72 (X6 ActiveHybrid) vehicles produced between April 2010 to January 2011.

This recall affects approximately 21,000 vehicles and we have released 25% of the needed parts. Please only order for scheduled appointments.

Please remove these parts from SRD and automatic replenishment ordering.

**As a reminder all Recall parts are non-returnable.**

Thank you,  
Parts Logistics
