Re: Recall ISOFIX Child Restraint System Anchors (F25 and F26)

Dear Parts and Service Managers,

We will be using the new Fair Share Allocation (FSA) ordering for this recall.

Please review Parts Bulletin 06 14 16 on TIS and log on the Parts Information Center (PIC) to set up your email for the announcements.

The parts included in the SIB 41 01 16 will be open for FSA ordering on Monday (7/11/16).

Bulletin 41 01 16 is posted involving certain F25 (X3) produced from July 2010 to April 15, 2016 and F26 (X4) vehicles produced from April 2014 to April 15, 2016.

During the period of increasing supply, we will leave these parts in FSA. Please monitor your weekly allotments using the PIC.

Please remove these parts from SRD and automatic replenishment ordering.

As a reminder all Recall parts are non-returnable.

Once supply is sufficient and consistent from the supplier, we will open these part numbers for normal ordering. We will continue to provide weekly updates.

Thank you,
Parts Logistics
