RE: Ordering Procedures for ISOFIX Child Restraint System Anchors

SIB 41 01 16

We received over 2,000 email requests for parts and we know your time is valuable, so we placed bulk orders to help you.

We pushed out over 6,000 parts in the past two days that should have covered your email requests.

At this time, we are not taking additional requests and all email requests have been deleted.

We are expecting a shipment of 60,000 parts late next week and will open the parts for ordering.

A DCS with the ordering details will go out late next week.

Thank you,
Parts Logistics
