

FL684/Driver Side & FL714/Passenger Side Takata Airbag Recalls
Text of Ringless Voice Mail Message to Customers with Open Recalls

Revised to Fit Time Limit

Daimler Trucks North America is calling to inform you about an urgent safety recall. Your Sterling Bullet has defective airbags that can explode with metal shrapnel, causing serious injury or death. Please contact a Daimler Trucks dealer for a FREE repair now or call (800) 385-4357 for help finding a dealer.
