**Re: Missing CY2016 Recall Information
16V-711 (FL-725)
Owner Notification Letters Issued Late**

Ms. Schuler,

DTNA has reviewed the records regarding the Owner Notification Letter for 16V-711. After review, DTNA believes that the Interim Owner Notice was properly mailed to the owners within 60 days of filing the Part 573 Report with NHTSA. The 573 report was filed on 10/3/2016 and the Interim Owner Notification Letter was mailed 60 days later on 12/1/2016. The mailing date was incorrectly reported on the Recall Portal as the posting date. DTNA will provide training to all individuals entering information into the Recall Portal to ensure that it is correctly entered.

Please contact me if you have any questions.

Sincerely yours,

Andrew Jones
