Subject: Loose Rear Sway Bar may Detach

Dear Mr. Biazio:

This letter serves to acknowledge REV Recreation Group's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FLEETWOOD/FLAIR/2017
FLEETWOOD/STORM/2017
HOLIDAY RAMBLER/ADMIRAL XE/2017
HOLIDAY RAMBLER/VACATIONER/2017

Mfr's Report Date: January 3, 2017

NHTSA Campaign Number: 17V-003

Components:

STRUCTURE

Potential Number of Units Affected: 291

Problem Description:

REV Recreation Group (REV) is recalling certain 2017 Holiday Rambler Vacationer XE, Admiral XE, Fleetwood Storm and Fleetwood Flair motor homes. The rear sway bar may not have been properly tightened and, as a result, the sway bar may detach from the vehicle.

Consequence:

If the sway bar falls from the vehicle, it can increase the risk of a crash.

Remedy:

REV will notify owners, and dealers will tighten the rear sway bar bolts, replacing them as necessary, free of charge. The recall is expected to begin January 31, 2017. Owners may contact REV customer service at 1-800-509-3417. REV's number for this recall is 161229REV.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
