February 14, 2017

Mr. Craig Biazio  
National Warranty Manager  
REV Recreation Group  
1010 Commerce Drive  
PO Box 1007  
Decatur, IN 46733

NEF-150MR  
17V-072

**Subject:** Fuel may Leak from Fuel Filling Tube

Dear Mr. Biazio:

This letter serves to acknowledge REV Recreation Group's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FLEETWOOD/STORM/2017  
HOLIDAY RAMBLER/VACATIONER/2016-2017  
HOLIDAY RAMBLER/VACATIONER XE/2017

**Mfr's Report Date:** February 3, 2017

**NHTSA Campaign Number:** 17V-072

**Components:**

FUEL SYSTEM, GASOLINE:STORAGE:TANK ASSEMBLY:FILLER PIPE AND CAP

**Potential Number of Units Affected:** 391

**Problem Description:**

REV Recreation Group (REV) is recalling certain 2017 Fleetwood Storm and Holiday Rambler Vacationer XE motorhomes and 2016-2017 Holiday Rambler Vacationer motorhomes. In the affected vehicles, the spring shackle bolt may contact the fuel filler components or the fuel vent tubing causing a hole, potentially resulting in a fuel leak.

**Consequence:**

A fuel leak in the presence of an ignition source can increase the risk of a fire.

**Remedy:**

REV will notify owners, and dealers will inspect the fuel filler tube and fuel vent components and re-route them or install additional components to shield them from contacting the spring shackle bolt, free of charge. The recall is expected to begin March 31, 2017. Owners may contact REV customer service at 1-800-509-3417. REV's number for this recall is 170131REV.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at [michelle.rice@dot.gov](mailto:michelle.rice@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,

Jennifer Timian  
Chief, Recall Management Division  
Office of Defects Investigations
