Mfr's Report Date: February 10, 2017

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 82

Problem Description:

Airstream, Inc. (Airstream) is recalling certain 2017 Sport, Flying Cloud and International recreational trailers. The Tire Placard on these vehicles may be missing the spare tire information. As such, these vehicles fail to comply with the Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

Without the correct tire and load information for the spare tire, the operator may install the incorrect tire or overload it, with either scenario increasing the risk of a crash.

Remedy:

Airstream will notify owners, and dealers, will provide a corrected Tire Placard, free of charge. The recall is expected to begin April 3, 2017. Owners may contact Airstream customer service at 1-937-596-6111 extension 7401 or 7411.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Airstream's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
