Problem Description:

Keystone RV Company (Keystone) is recalling certain 2017 Dutchmen Coleman recreational trailers, model 2515RL. Remedy:

Keystone will notify owners and will supply a corrected Federal Identification Tag, free of charge. The recall is expected to begin in February 2017. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 17-277.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
