Subject: Propane Line may Leak after Contact with Axle

Dear Mr. Fisher:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FOREST RIVER/SANDSTORM/2017
FOREST RIVER/STEALTH/2017

Mfr's Report Date: February 24, 2017

NHTSA Campaign Number: 17V-117

Components:

EQUIPMENT:RECREATIONAL VEHICLE:LPG LINES AND FITTINGS

Potential Number of Units Affected: 98

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2017 Stealth recreational vehicles, model CSFTFQ2817G-67 and Sandstorm recreational vehicles, model CSCT282GSLR-67. The liquid propane (LP) line under the vehicle may be damaged from contact with the axle, causing it to leak.

Consequence:

A propane leak in the presence of an ignition source increases the risk of a fire or explosion.

Remedy:

The remedy for this recall is still under development. The recall is expected to begin April 24, 2017. Owners may contact Forest River customer service at 1-909-873-3777. Forest River's number for this recall is 67-02082017-0321.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
Chief, Recall Management Division
