Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FLEETWOOD/BOUNDER/2017  
HOLIDAY RAMBLER/VACATIONER/2017

**Mfr's Report Date:** March 21, 2017

**NHTSA Campaign Number:** 17V-197

**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 42

**Problem Description:**

REV Recreation Group (REV) is recalling certain 2017 Fleetwood Bounder and Holiday Rambler Vacationer vehicles. These vehicles are equipped with Federal Placards that incorrectly list a tire size of 235/80R 22.5 G when the actual tire size is 255/80R 22.5 G. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

**Consequence:**

If the operator were to replace the tires according to the information on the Federal Placard, it could increase the risk of a crash.

**Remedy:**

REV will notify owners, and dealers will install a corrected label, free of charge. The recall is expected to begin May 5, 2017. Owners may contact REV customer service at 1-800-509-3417. REV's number for this recall is 170317REV.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

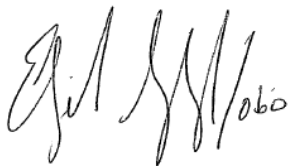

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
