**Subject:** Incorrect Federal Placards/FMVSS 110, 567

Dear Mr. Fisher:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

PRIME TIME/AVENGER/2017-2018

**Mfr's Report Date:** April 21, 2017

**NHTSA Campaign Number:** 17V-266

**Components:**

EQUIPMENT:OTHER:LABELS  
TIRES

**Potential Number of Units Affected:** 32

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain 2017-2018 Prime Time Avenger motorhomes, model AVT31DBS. The Federal Placard on these vehicles only indicates that the rear tire size is ST225/75R15E tires with 80 PSI, when the placard should state that the front, rear, and spare tires are ST225/75R15E tires with 80 PSI. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims," and 567, "Certification."

**Consequence:**

The incomplete Federal placard information could cause the user to install an incorrect tire, resulting in a possible overloading of the vehicle, increasing the risk of a crash.

**Remedy:**

Forest River will notify owners and will provide a corrected Federal placard, free of charge. The recall is expected to begin June 19, 2017. Owners may contact Forest River customer service at 1-574-862-1025. Forest River's number for this recall is 50-04182017-0392.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

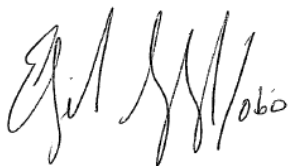

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at [kelly.schuler@dot.gov](mailto:kelly.schuler@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.
