FOREST RIVER/XLR/2017-2018

Mfr's Report Date: April 26, 2017

NHTSA Campaign Number: 17V-282

Components:

TIRES

Potential Number of Units Affected: 73

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2017-2018 Salem, Wildwood, XLR, Sanibel, Wildcat, Vengeance, Chaparral Lite and Columbus recreational trailers. The Federal Placard may inaccurately list the tire and rim combinations that are installed on the trailers. Additionally, the Gross Axle Weight Rating (GAWR) and the Gross Vehicle Weight Rating (GVWR) information may be incorrect. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims," and 49 CFR part 567, "Certification."

Consequence:

The incorrect information may cause the operator to install an incorrect replacement rim or tire, overinflate the tire, or overload the vehicle, all scenarios that may increase the risk of a crash.

Remedy:

Forest River will notify owners and will provide a corrected Federal Placard, free of charge. The recall is expected to begin June 22, 2017. Owners may contact Forest River customer service at 1-800-348-7440. Forest River's number for this recall is 51-04242017-0393.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
