Subject: Cot System Securing Hardware may be too Short

Dear Ms. Gabaud:

This letter serves to acknowledge REV Ambulance Group Orlando, INC.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ROAD RESCUE/TYPE I/2012-2013
ROAD RESCUE/TYPE III/2013-2016
ROAD RESCUE/TYPE IX/2014-2017

Mfr's Report Date: May 23, 2017

NHTSA Campaign Number: 17V-334

Components:

EQUIPMENT
STRUCTURE

Potential Number of Units Affected: 24

Problem Description:

REV Ambulance Group Orlando, Inc. (REV) is recalling certain model year 2012-2013 Road Rescue Type I, 2013-2016 Road Rescue Type III, and 2014-2017 Road Rescue Type IX emergency vehicles equipped with a 2" subfloor. The bolts used to install the cot securing system to the floor may be too short.

Consequence:

In the event of a crash, the cot may not remain secured, possibly causing injury to the vehicle occupants.

Remedy:

REV will notify owners, and dealers will provide the correct replacement hardware for the affected units, free of charge. The recall is expected to begin June 30, 2017. Owners may contact REV customer service at 1-800-628-8178.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

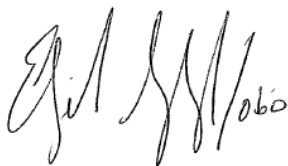

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Timian', with a date '10/10/10' written at the end of the signature.

Jennifer Timian
