Subject: Rubber Gas Hose Connected to Pilot Light

Dear Mr. Mihalick:

This letter serves to acknowledge KZRV, L.P.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

KZRV/VENOM/2016-2018

Mfr's Report Date: May 30, 2017

NHTSA Campaign Number: 17V-347

Components:

EQUIPMENT:RECREATIONAL VEHICLE:LPG LINES AND FITTINGS

Potential Number of Units Affected: 41

Problem Description:

KZRV, L.P. (KZRV) is recalling certain 2016-2018 Venom fifth-wheel travel trailers, models 4040DQ and 4011QK, equipped with the outside kitchen option. The affected vehicles do not have a 12" copper pipe between the rubber gas supply hose and the cooktop pilot light.

Consequence:

Without the copper pipe, the rubber gas line may be too close to the pilot light and get too hot and melt, increasing the risk of a fire.

Remedy:

KZRV will notify owners, and dealers will install a 12" copper extension between the pilot light and the rubber gas line, free of charge. The recall is expected to begin on July 17, 2017. Owners may contact KZRV customer service at 1-800-768-4016, extension 153 or 154.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received KZRV's proposed owner notification letter and we have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Timian', with a date '10/26/10' written at the end of the signature.

Jennifer Timian
