JAYCO/EAGLE/2018

Mfr's Report Date: May 30, 2017

NHTSA Campaign Number: 17V-350

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 88

Problem Description:

Jayco, Inc. (Jayco) is recalling certain 2018 Eagle TT 330RSTS (EA) recreational trailers. The Federal Placard on these vehicles incorrectly lists the Gross Axle Weight Rating capacity (GAWR) as 5,800lbs, when the axles actually have a capacity of 5,660lbs. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

The incorrect GAWR may result in the vehicle being overloaded, causing a loss of control and increasing the risk of a crash.

Remedy:

Jayco will notify owners, and dealers will provide a new Federal ID labels with the correct GAWR, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Jayco customer service at 1-800-283-8267.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

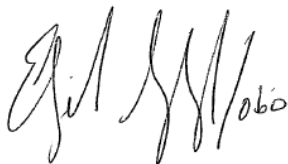

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
