Dear Mr. Fisher:

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Makes/Models/Model Years:

FOREST RIVER/XLR TOYHAULER/2016-2017

Mfr's Report Date: June 5, 2017

NHTSA Campaign Number: 17V-366

Components:

SUSPENSION

Potential Number of Units Affected: 100

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2016-2017 XLR ToyHauler recreational trailers, models XLT23KW and WZXLT23KW. These vehicles were built with axle equalizers that are too long.

Consequence:

An equalizer that is too short in length may cause a failure of the equalizer and/or axle springs, resulting in a possible loss of vehicle control and increasing the risk of a crash.

Remedy:

Forest River will notify owners, and dealers will install the correct equalizers, free of charge. The recall is expected to begin on August 1, 2017. Owners may contact Forest River customer service at 1-574-642-0432. Forest River's number for this recall is 45-05312017-0415.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

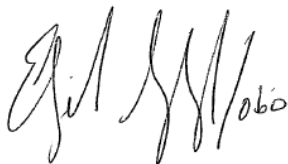

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
