Subject: Parking Brake may not Hold Vehicle

Dear Mr. Holliday:

This letter serves to acknowledge Vactor Manufacturing's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

VACTOR/JETTER/2015-2017

Mfr's Report Date: June 5, 2017

NHTSA Campaign Number: 17V-367

Components:

PARKING BRAKE
VEHICLE SPEED CONTROL

Potential Number of Units Affected: 37

Problem Description:

Vactor Manufacturing (Vactor) is recalling certain 2015-2017 Vactor Jetter vehicles. In certain conditions, the idle may unexpectedly rise, allowing the affected vehicles to over power the parking brake.

Consequence:

If the parking brake cannot keep the vehicle stationary, there would be an increased risk of a crash.

Remedy:

Vactor has notified the affected owners, and dealers will install diodes to keep the idle from rising, free of charge. Owners may contact Vactor customer service at 1-847-622-7069.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

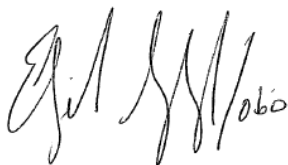

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
