Subject: Rear Reflectors may be Too High/FMVSS 108

Dear Mr. Elion:

This letter serves to acknowledge Supreme Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

SUPREME/KOLD KING/2007-2017
SUPREME/SIGNATURE VAN/2007-2017

Mfr's Report Date: June 8, 2017

NHTSA Campaign Number: 17V-369

Components:

EXTERIOR LIGHTING

Potential Number of Units Affected: 11,414

Problem Description:

Supreme Corporation (Supreme) is recalling certain 2007-2017 Signature Van and Kold King vehicles equipped with oval taillights installed in the rear corner posts. The affected vehicles have rear reflex reflectors that may have been mounted more than 60 inches above the road surface. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

A reflector that is mounted too high may not be effectively illuminated by headlights at night, increasing the risk of a crash.

Remedy:

Supreme will notify owners, and will provide new rear reflex reflectors for any vehicle whose existing reflector height exceeds 60 inches, free of charge. The recall is expected to begin on July 31, 2017. Owners may contact Supreme customer service at 1-800-642-4889.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

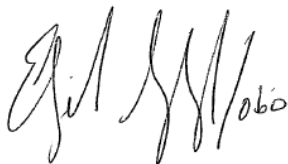

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Timian', with a date '1/11/06' written at the end of the signature.
