Mfr's Report Date: June 19, 2017

NHTSA Campaign Number: 17V-384

Components:

ELECTRICAL SYSTEM:STARTER ASSEMBLY

Potential Number of Units Affected: 174

Problem Description:

Entegra Coach (Entegra) is recalling certain 2012-2015 Cornerstone motorhomes built on a Spartan Motors chassis. A component within the starter motor may break, potentially resulting in the starter motor overheating or drawing excessive current.

Consequence:

A starter motor that overheats may increase the risk of a fire.

Remedy:

Entegra will notify owners, and Spartan Motors service centers will replace the starter, free of charge. The recall is expected to begin August 18, 2017. Owners may contact Spartan customer service at 1-800-543-4277 or Entegra customer service at 1-800-517-9137.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Entegra's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

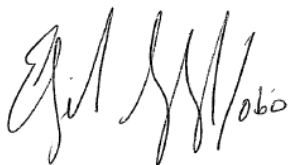

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

We assume that Spartan will be filing the required quarterly reports for this campaign. Please let us know if that is not the case.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
