EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 553

Problem Description:

KZRV, L.P. (KZRV) is recalling certain 2018 Sportsmen Classic, Spree, Connect, Durango, SportTrek, Spree Escape, Venom, and Sportsmen Sportster recreational trailers. The Federal Certification label on these vehicles does not contain the manufacturing date. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

In the event of a vehicle safety recall, the missing production date may prevent owners from determining if the recall affects them, increasing their risk of injury or a crash.

Remedy:

KZRV will notify owners and provide a corrected Federal Certification label, free of charge. The recall is expected to begin on August 17, 2017. Owners may contact KZRV customer service at 1-800-768-4016 extension 154 or 153. KZRV's number for this recall is KZ-2017-03.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received KZRV's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
