17V-401

Subject: Second Row Seats may be Missing Attachment Studs

Dear Mr. Fronckowiak:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FORD/EXPLORER POLICE INTERCEPT/2017

Mfr's Report Date: June 26, 2017

NHTSA Campaign Number: 17V-401

Components:

SEATS:MID/REAR ASSEMBLY

Potential Number of Units Affected: 4

Problem Description:

Ford Motor Company (Ford) is recalling certain 2017 Ford Explorer Police Interceptor vehicles. The affected vehicles may be missing the two front inboard attachments for the second row seats. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 207, "Seating systems", and (FMVSS) number 210, "Seat belt assembly anchorages."

Consequence:

Seats with missing inboard attachments may not adequately restrain an occupant in a crash, increasing the risk of injury.

Remedy:

Ford will notify owners, and dealers will inspect the vehicles to verify that they have the second row seat attachment studs, installing them if not, free of charge. The recall is expected to begin by August 18, 2017. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 17C10.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Per the requirements of 573.6(c)(2)(iv), please provide the name, contact information, address and country of origin (if known) for the floor pan supplier.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
Chief, Recall Management Division
